Dear Acting Administrator Nishida,

Congratulations on being appointed as Acting Administrator of the EPA and best wishes as you progress with President Biden's administration. The agency will greatly benefit from your wisdom and experience at this critical time.

You may remember that I served as Chair of the National Advisory Committee to the Administrator for affairs related to the North American Commission for Environmental Cooperation (2008-2016). I hope you and your team will be able to restore and strengthen our continent-wide environmental commitments.

Currently, I am serving as Chair of the US Biosphere Network, an effort to restart our 28 US Biosphere Reserves in coordination with the USNPS. If there is anything we can do to assist you, please don't hesitate to contact me.

Best regards,
Brian L. Houseal
